Latest News

Intermediate Update | 3D SexVilla 2.099.001

New Untamed Curly Hair Look

Flirtatious and fun 'Big Hair' curl is in again! Un-combed, edgy and messy hair, the type that stands out and makes your model look extra special, has arrived. By popular demand we have created a curly 'updo' that can work with the current Version 2.0 generation models. BTW It's 'not easy' doing 3D hair, especially curly hair, so we hope the hair fetish freaks will appreciate this latest hairstyle option.

Fetish Apron and Fetish Men's Short

Really get cooking and dish out some really hot sex in the new fetish style chain link top and latex rubber aprons for your devoted sex slaves. Harness belted and with easy access to rear, this 'no nonsense' apron gear accessory provide for apron fetish delights with no messy clean up. For slave guys, studded shorts with a cock flap are sure to please!

More Fun in the Sun

Wrap his or hers ass in the latest 'Beach BUM' fashions. We've added to the swimwear collections, with some new girls and guys fashion options. For the girls a new bikini top with chain link straps complete with string bikini style bottom and wedge-style high heel shoes. For the guys new 'euro cut' shorts and new era benjy vintage hat to keep you cool.

Bluetooth or Blue Balls?

When you need to keep your hands free for VOIP chat, phone sex, or whatever you need to keep at least one hand free for, nothing better than a Bluetooth headset to give you a free hand. Get your models jacked in and all miked up to impress and look important and cool. Also good for 'driving' her hands-free while in a car, where law permits!

Texture Packs

Want to be your own blacksmith and forge sexy suits of armor for your knights and princesses? Then download the fantasy mod pack, now available!
